Planting Team Member:

We are an award-winning specialist nursery near Pulborough in West Sussex with a reputation for designing and planting exceptional gardens. With a prodigious collection of Japanese and European topiary, exotic and tropical specimens, screening plants and rarities, our mission to exceed our clients' expectations with exciting, bold and innovative work is a prerequisite. The highest standard of construction, presentation and service is guaranteed by our dedicated and plant obsessed team of horticulturalists.

You could join our expert Planting Team constructing the most breath-taking designs with the most exciting plants found on the planet. You need to be physically fit, able to lift our large trees and work long hours – it's a very tough but rewarding environment. It is a role that demands absolute pride and perfection every single time. The challenge is to work with incredible efficiency, skill and competence, whilst learning from the best and pushing yourself even further. Working for our clients in their gardens throughout the year requires grit, stamina and an unrelenting passion. You will be representing the company, which requires a truly professional level of application, conduct and customer service at all times. If you are looking for total job satisfaction and believe you can impress our clients and help deliver their dreams - then apply here.

Expected Start Date: 08/03/2021

Job Types: Full-time, Permanent

Salary: From £17,000.00

Licence/certification: Driving Licence required

Work remotely: No

Application Process:

In the first instance, please apply via Indeed, linked here: <https://indeedhi.re/2ZOuydv>

The application process will then involve a short telephone interview followed by a formal, in person interview with the Managing Director and his team.

The next step would be to invite you to a trial day at the nursery and on site, where your knowledge, technical abilities and suitability for the role will be tested in a practical setting.
