

Horticultural Salesperson:

We are an award-winning specialist nursery near Pulborough in West Sussex with a reputation for designing and planting exceptional gardens. With a prodigious collection of Japanese and European topiary, exotic and tropical specimens, screening plants and rarities, our mission to exceed our clients' expectations with exciting, bold and innovative work is a prerequisite. We are expanding our team to include an additional salesperson.

We are looking for a plant-obsessed horticulturalist with experience in a previous related sales role. A succinct communicator with your own flair and subtle charisma you will also be driven to exceed our clients' expectations with incredible and personal customer service. You will also learn how to successfully triage enquiries across the business.

Reporting to our Deputy Sales Manager you will need to be an intelligent team-player, reliable and willing to use your initiative, and with the discipline and ability to prioritise a busy workload. A thorough and high standard of administrative skills and computer literacy is necessary. Training will be provided on Vend, Xero and Capsule our in-house systems.

This is a bustling and exciting environment and being able to think on your feet and adapting to new working methods is essential. If you are looking for total job satisfaction and believe you can impress our clients and help deliver their dreams - then apply here.

Job Type: Full-time, Permanent

Hours: 8am to 5pm - 4 days in the week and every Saturday

Salary: From £22,000.00 - £26,000.00 based on experience

Licence/certification: Driving Licence required

Work remotely: No

Application Process:

In the first instance, please apply via Indeed, linked here: <https://indeedhi.re/3rhYqMa>

The application process will then involve a short telephone interview followed by a formal, in person interview with the Managing Director and his team.

The next step would be to invite you to a trial day at the nursery and on site, where your knowledge, technical abilities and suitability for the role will be tested in a practical setting.
