## **Creative Maintenance Team Member**

We are an award-winning specialist plant nursery near Pulborough in West Sussex with a reputation for designing and planting exceptional gardens. With a prodigious collection of Japanese and European topiary, exotic and tropical specimens, screening plants and rarities, our mission to exceed our clients' expectations with exciting, bold and innovative work is a prerequisite. The highest standard of service is guaranteed by our dedicated and plant obsessed team.

We are looking for a hard-working individual to join our expanding Creative Maintenance Team. You will join our experts in clipping, shaping and maintaining some of the world's most exciting plants for our breath-taking garden design, planting and maintenance projects. You will leave every garden refined and primed to perfection producing beautifully sculpted topiary, well-groomed structural exotics and specialist Japanese Niwaki cloud-pruned forms. You will need to be physically fit, calm under pressure, and willing to work in all weathers. You will also be required to work with incredible efficiency, skill and competence to help deliver incredible gardens for our clients. A keen eye for detail is a must.

What we are looking for:

### **Essential**

- Physically fit, with an extremely strong work ethic, a keen eye for detail and a willingness to learn on the job.
- Unrivalled levels of professionalism at all times, in both conduct and customer service.
- Honesty, openness and a team-player mentality.
- Flexibility, moving between the clipping and planting teams when required in the winter, approaching all aspects of your work with grit, stamina, and an unrelenting passion to provide a great service to our clients.

### **Desirable**

- Knowledge and experience of working with plants or in horticulture would be highly desirable.
- Demonstrable experience working outside in a practical and physical role.

If you are looking for total job satisfaction and believe you can impress our clients and help deliver their dreams - then apply below.

### **Application Process:**

In the first instance, please apply via Indeed, linked here: <https://indeedhi.re/3kw90Nm>

A r c h i t e c t u r a l

*Since 1990*

The recruitment process will then involve a short telephone interview followed by an in-person interview with the Managing Director or Head of Development and their team. The next step would be to invite you to a paid trial on site with our Planting Team, where your knowledge, technical abilities and suitability for the role will be tested in a practical setting.

Expected Start Date: 01/02/2022

Job Types: Full-time, Permanent

Salary: From £18,000 – £22,500

Licence/certification: Driving Licence required

Work remotely: No
