

## Landscape Planting Team Member

We are an award-winning specialist plant nursery near Pulborough in West Sussex with a reputation for designing and planting exceptional gardens. With a prodigious collection of Japanese and European topiary, exotic and tropical specimens, screening plants and rarities, our mission is to exceed our clients' expectations with exciting, bold and innovative designs. The highest standard of service is guaranteed by our dedicated and plant obsessed team.

We are looking for a hard-working individual to join our expanding planting division, installing breathtaking designs with some of the most exciting plants found on the planet. You will need to be physically fit, calm under pressure, and willing to work in all weathers. It's a tough, but extremely rewarding environment and a role that demands absolute pride and perfection every single day. You will be required to work with incredible efficiency, skill and competence to help deliver incredible gardens for our clients.

What we are looking for:

### **Essential**

- Physically fit, able to move large plant stock and materials, with an extremely strong work ethic and willingness to learn on the job.
- Unrivalled levels of professionalism at all times, in both conduct and customer service.
- Honesty, openness and a team-player mentality.
- A practical problem solver, with grit, stamina, and an unrelenting passion to provide a great service to our clients.
- A full, clean drivers' licence.

### **Desirable**

- Knowledge and practical experience of working with plants or in horticulture including how to clip, prune and handle a wide range of plants.
- Experience working outside in a practical and physical role.

If you are looking for total job satisfaction and believe you can impress our clients and help deliver their dreams - then apply below.

### **Application Process:**

In the first instance, please apply by sending your CV to [jay@architecturalplants.com](mailto:jay@architecturalplants.com).

The recruitment process will then involve a short telephone interview followed by an in-person interview with the Head of Operations and their team. The next step would be to invite you to a paid trial on site with our Planting Team, where your knowledge, technical abilities and suitability for the role will be tested in a practical setting.
