

Plant Nursery Team Member

We are an award-winning specialist nursery near Pulborough in West Sussex with a reputation for selling unique and beautiful plants, and designing and planting exceptional gardens.

We are currently looking for a plant-obsessed person to join our **Nursery Production Team**. This is a physically demanding role focused on maintaining the welfare of our plants and keeping them looking their best all year round. Working outside throughout the year requires grit, stamina and an unrelenting passion. A genuine enthusiasm for horticulture is essential and previous experience would be highly desirable. If you are keen to work with some of the world's most exciting plants and believe you can play your part in our continued success - then this is the role for you.

Duties include:

- Transporting plants around our busy retail space.
- Potting on and putting out stock.
- Unloading deliveries and preparing new plants for sale.
- Clipping, pruning, weeding, watering, and other general plant husbandry jobs.
- Other general nursery duties as required, including support of our propagation, dispatch, and estate team

What we are looking for:

Essential

- Physically fit and able to move large plant stock around the nursery, with an extremely strong work ethic and willingness to learn on the job.
- Unrivalled levels of professionalism at all times.
- Honesty, openness, and a team-player mentality.
- A practical problem solver, with grit, stamina, and an unrelenting passion for plants.

Desirable

- Practical experience of working with plants including how to clip, prune and handle a wide range of plants.
- Experience of nursery work good plant knowledge.
- Fork lift/telehandler licences and/or PA1 & PA6 spraying certificates.
- Knowledge and ability to maintain nursery equipment and machinery would be advantageous.

Expected Start Date: Spring 2023

Job Type: Permanent

Salary: From £21,500 - £25,000

Hours of work: 8am-5pm, 5 days p/w including Saturdays on a rota

Application Process:

In the first instance, please apply to jay@architecturalplants.com

Successful applicants will be asked to have a short telephone interview with the Head of Operations. The next step would be to invite you to a trial day at the nursery, where your knowledge, technical abilities and suitability for the role will be tested in a practical setting.
