

Landscape Planting Team Member

We are an award-winning specialist plant nursery near Pulborough in West Sussex with a reputation for designing, planting and maintaining exceptional gardens.

We are looking for a talented and hard-working individual to join our planting team, installing breath-taking designs with some of the most exciting plants found on the planet. You will need to be physically fit, calm under pressure, and willing to work in all weathers. It's a tough, but extremely rewarding environment and a role that demands absolute pride and perfection every single day. You will be required to work with efficiency, skill and competence to help deliver incredible gardens for our customers.

What we are looking for:

Essential

- Physically very fit, able to move large plant stock and materials, with an extremely strong work ethic and willingness to learn on the job.
- Knowledge and practical experience (minimum 2 years) of working with plants or in horticulture, including how to handle, clip, and prune a wide range of plants.
- Unrivalled levels of professionalism at all times, in both conduct and customer service.
- Versatility, honesty, openness and a team-player mentality an absolute must.
- A practical problem solver, with grit, stamina, and an unrelenting passion to provide a great service to our customers.
- A full, clean drivers' licence.

Desirable

- Experience handling and planting large plants and trees.
- Machinery experience and certificates, such as trailer driving, forklifts, telehandlers, diggers, dumpers etc.
- Horticultural qualifications (or working towards).
- Knowledge of irrigation systems - how to install and how to fix.
- An understanding of common P&D issues in gardens and/or other specialist horticultural skills.

If you are looking for total job satisfaction and believe you can impress our customers and help deliver their dreams - then apply below.

Application Process:

In the first instance, please apply by sending your CV to jay@architecturalplants.com.

The recruitment process will then involve a short telephone interview with the Head of Operations. The next step would be to invite you to a paid trial on site with our Planting Team, where your knowledge, technical abilities and suitability for the role will be tested in a practical setting.

Expected Start Date: Ongoing

Job Types: Full time, part time or temporary contract available.

Salary: From £23,500 - £28,000
