Point-to-Point Guide to Your Trade Account

No. 1: HELLO

Thank you for applying to open a trade account with Architectural Plants. We hope this will be the start of a long and fruitful relationship.

No. 2: Trade References

We reserve the right to contact your chosen trade references to further assist your application.

No. 3: TRADE DISCOUNT

Call the trade team on 01798 879213, or pop into the nursery to discuss our trade rates.

Whilst we are happy to help with particular plant requirements, we do expect a level of horticultural knowledge about our plants and their requirements.

We can certainly give you more detailed information, but we cannot resolve planting plans for you.

No. 4: RECOMMENDED RETAIL PRICE

Please note that in the wholesale areas of the nursery the plants are marked with the price that we recommend you sell the plants on for (RRP).

No. 5: TRADE ENQUIRIES

We have experienced and dedicated staff who will be happy to help you with your plant enquiries:-

Email: trade@architecturalplants.com

Tel: 01798 879213

No. 6: SELECTING PLANTS

We encourage our trade clients to come to the nursery to select their own stock.

When this is not possible we will endeavour to supply full dimensions and photographs for your approval, after which we will select the stock.

Architectural Plants will not be held responsible if there is an occasion where your client is not happy with the aesthetic or species of the tree or plant selected by us on your behalf.

No. 7: YOUR CUSTOMERS ARE YOURS

Whenever possible, we encourage our trade clients to bring their customers with them.

Please let us know in advance if you are going to do this, and clearly introduce them as your customer when you come in, then we can leave you alone and ensure that we are discreet about discussing your trade discount.

If you send any of your customers to us on their own to select plants that you have recommended, then they will not receive your trade discount.

If one of your customers experiences any problem with any of our plants, please do not ask them to contact us directly. Our relationship is with you, not your customer.

No. 8: QUALITY CONTROL

Please note that we cannot take responsibility for failure of a plant that has been planted in unsuitable conditions, or has not been correctly or effectively maintained or watered.

Architectural Plants prides itself on the supply of quality plants and its premium service.

Any issues relating to the quality of any of our plants are addressed with immediacy and the utmost seriousness.

As soon as a problem is brought to our attention, we will ask you to email photographs to us so that we can assess, identify and resolve the problem as appropriate.

No. 9: HOLDING FEE

We appreciate there is often a 'time delay' between checking stock availability and you getting the 'go-ahead' from your client.

We will always let you know when there is limited stock available to avoid you having to rethink your plan in the event of stock selling prior to your order.

On processing your order, we can hold stock on the nursery for a maximum of 28 days from the date on the invoice. After this a charge of £50.00 per week will be charged.

No. 10: DELIVERY & COLLECTION

Where a delivery is required, we will quote a cost and, on confirmation of the order, give you a delivery date.

Delivery is always curbside.

You will also be given the contact telephone number of our driver for the day of the delivery on your invoice.

If you have arranged to collect your order from us, please let us know the date of collection in advance so that we can be ready for you.

No. 11: USING OUR PLANTING AND DESIGN SERVICES

If you would like to use our planting service with plants you have chosen for your client, then we expect you to be on site on the day of planting to place them. If any issues arise with any plants after the works have been carried out, it would be up to you not your client to contact us to discuss this.

If we are involved with the design and planting of a garden that you're working on, your usual trade discount will be reduced by 50%.

No. 12: PAYMENT TERMS

Unless otherwise specified, we ask all our trade clients to make payment on receipt of invoice; on collection of plants, or prior to delivery.

Unfortunately, we cannot allow stock to leave the nursery without payment having been made.

Payment can be made by cheque, Mastercard or Visa.

Please let us know if you are making payment by BACS and the date any money transfer is due, our bank details are as follows:

Sort code: 82-60-33 Account number: 20010574

No. 13: CANCELLATION OF ORDERS

We will only give credit notes for any cancelled orders.

No. 14: REFUNDS AND EXCHANGES

Once plants have left the nursery, their continued care is your full responsibility. We do not give refunds or exchanges for plants that have failed in your care or your customer's care.

No. 15: DATA PROTECTION

By signing this form, you agree to Architectural Plants holding your information. We will never pass on your details to a third party, except to fulfil our service obligations to you – for instance, by passing your delivery details to a courier. We will delete your details at any time upon receipt of your verbal or written instruction to do so - at which point you will cease to be a trade customer – and we will retain only the information that we are required to hold by HMRC and plant health authorities. Should you choose to subscribe to our mailing list, you can unsubscribe at any time by clicking the link in the newsletter or by contacting the office on 01798 879213 or emailing trade@architecturalplants.com.

No 16: CLOSURE OF ACCOUNT

If you leave your account inactive for 2 consecutive years, we will contact you to pre warn you of closure.

If we do not hear from you within 1 month we will automatically close your trade account. In the event of finding your account closed you can reapply for a trade account which will be subject to our company checks.
