WELCOME

Welcome to Architectural Plants, an enchanting wedding venue nestled in the heart of the West Sussex countryside. Our space offers a unique and romantic botanical backdrop for your special day.

INTRODUCTION

Our nursery is in the middle of 32 acres of open fields surrounded by farmland and views of the South Downs. We are renowned for our symmetrical avenues of maple trees, sculptural Japanese topiary and internal spans housing thousands of rare and tropical plants.

OUR SPACES

Let the peaceful setting of Architectural Plants become the beautiful backdrop to your special day. We are licensed for civil ceremonies for up to 150. We also welcome humanist ceremonies and blessings.

We have two dedicated covered nursery spans available for both ceremony and reception. These are filled with the most incredible tropical and Mediterranean plants and our nursery team will work with you to create your dream setting. Alongside this we have a range of outdoor spaces for drinks and canape receptions, and photographic spots, including our beautiful landscaped lake.

CEREMONY SPACES

Choose between our Italianate outdoor lake area or our beautifully appointed indoor spans to say your marriage vows in front of your loved ones.

THE WEDDING PAVILLION

Full of tropical and Mediterranean plants, our spans provide plenty of space and complete cover come rain or shine.

THE LAKE

Our lake is picturesque in all seasons, making it the perfect, tranquil location for your outdoor ceremony.

RECEPTION SPACES

Our reception span is wonderfully versatile and can be set up and styled however you wish. With space to seat your guests for your wedding breakfast, your bar area and dance floor, the span works for larger weddings up to 150 people or with more considerate planting, works for a more intimate wedding.

OUTDOOR SPACES

As well as our ceremony spaces we have a range of outdoor spaces to host arrival drinks, post-ceremony drinks reception, fun and games, from our outdoor quadrant, large enough to park street food vans, to our shady sculpture garden.

"The team went above and beyond and exceeding all our expectations for our day - we also loved being able to set up on the Friday with family and friends."

With acres of gorgeous vistas, every corner of Architectural Plants is photo-worthy. Take the opportunity to be whisked away by your photographer in the golden hour to capture special moments and memories to treasure forever.

VENUE FACILITIES

Capacity: Accommodates up to 150 guests.

Flexible Layout: Customise seating, decor, and lighting.

Natural Lighting: A bright and airy space during the day, with low, ambient lighting in the evening.

Onsite Generator: to power all of your requirements, catering, entertainment, lighting, with cabling where you need it.

Parking: Convenient on-site parking for up to 150 guests. We can accommodate larger vehicles, such as double-decker buses by prior arrangement.
